WHAT IS THE APP?

Join with thousands of young people throughout the Archdiocese of Canberra and Goulburn and throughout Australia as we invite you on an adventure to encounter Christ, live a life in the Holy Spirit and live out the mission of the Church.

Over the next Three Years of Youth we will focus on Formation, Celebration and Mission of Youth in the Catholic Church. We will be launching new and exciting initiatives in schools and Church communities near you. This App is one way you can connect in with this dynamic and new vision that celebrates youth in the Church.

Our vision is simple. To establish a discipleship pathway from Catholic schools and into the heart of Church communities (Parishes and ecclesial movements) that inspires young people to lead a new evangelisation.

Over the next three years, the Archdiocese will invite you to share in this vision through Three Years of Youth: 2017 – Year of Formation; 2018 – Year of Celebration; and 2019 – Year of Mission. So what are you waiting for?
